## *Pastor's Notes*

So last night I sat down and popped in my copy of the movie "The English Patient", and it was a fun experience. I sat back and let the images on the screen play in front of me while I let my mind wander and think back on things that largely have nothing to do with the movie itself. A little inside information: The English Patient is the movie that Olivia and I watched nine years ago as we waited for Delilah to be born. I still clearly remember Olivia asking me to pause the movie whenever a contraction would come, and then press play when the discomfort was gone. FYI, The English Patient is already over 2 ½ hours long, so you can imagine how long it takes to watch with the method we were trying.

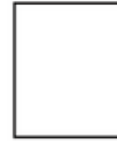

Fun Fact: The English Patient has never been one of my favorite movies. It is beautiful to look at, but it's a bit slow and I have always had a hard time connecting with it. Also, just between you and me, I still harbor a nearly 30 year old grudge against The English Patient for beating out "Fargo" (absolutely one of my favorite movies) for that year's Best Picture award at the Oscars. And yet, every year at this time I get the inclination to throw on a movie that I have never really cared for, all because it reminds me of one of the most important days of my life.

It is always interesting to me how in this rich and beautiful world that God created for us, he can take something that is largely without meaning to us, and turn it into something much more. Like I said, on its own The English Patient is not a movie I really care for. It does however point me towards something I love deeply. The only way I can describe how I feel about my daughter is that she and the love I feel for her are a gift from God. Even now as I write this, and can hear Delilah and Harry fighting over the television, I will not let their deeply annoying habits bring me down. I will instead happily remember how God, a little baby girl, and The English Patient changed my life forever.

God's Peace be with you all,  
Pastor Dan Morton

- Less mowing
- Bible Study Fellowship begins on Tuesday, Sept. 12th at Concordia from 2:00 – 3:30. This year the study will be on the book of John. The study is 30 weeks long which sounds terribly long, but it really gets you into the Bible and learning about God's love and promises. Consider joining!

## Maple Lake Church Council Minutes

**Date:** August 16th, 2023, at 7:00 p.m. Meeting called to order at 7:02 p.m.

**Attending:** Karen Lunak, Tracy Johnson, Marlene Block, Brenda Langved, Pastor Dan, Mike Slevin, & MaryBeth Swanson.

**Devotions:** Mike Slevin

**Secretary's Report:** MM/S by Brenda Langved/Marlene Block to accept minutes as submitted. MC.

**Treasurer's Report:** MM/S by MaryBeth Swanson/Mike Slevin to accept report as submitted. MC.

**Pastor's Report:** We will need to look at potentially moving our meeting date/time so we are not meeting at the same time as Trinity. It was added to the agenda. We are still in a time of transition. Pastor Dan is asking to keep an open mind as we navigate an interim pastor and call process. An idea was presented to Sunday School teachers/leaders about using a curriculum from Luther Crest. The same curriculum would be used in all churches. However, it has been difficult to communicate with Luther Crest, so it has been suggested to table this idea for the time being. A meeting has been set for September 13<sup>th</sup> to meet with the Acting Bishop to start the call process to replace Pastor Phil. Dan is still trying to schedule other pastors for services as Pastor Blom is an interim, and not full time.

**Parish Board Report:** Next meeting August 17<sup>th</sup>, 2023. There is the potential to finalize/sign the contract with Pastor Phil Blom as an interim pastor from now until January.

**Deacon's Report:** Mike will again send the Portals of Prayer to our college Freshmen as a way for them to know that our church is thinking about them while they are away.

**Trustees' Report:** No Report

### Old Business:

1. The Church weather vane: The trustees have not found a cost-effective solution to reach the weather vane. The weather vane has fallen down from the steeple, but there is a large hole at the top. Someone will need to see what impact the water entering this hole is having on the steeple.
2. Snow Removal costs: Still no ideas as of yet. One possibility would be to see if a community member would be willing to complete the work as a tax write off.
3. Culligan is discontinuing the Carbon filter exchange tanks (12/31/23). Tracy did some research and it would be \$1300-1500 for a water softener and instillation. After that, it would require a bag of salt and to be manually regenerated twice a month (Which could be added to the cleaning schedule). She will pass this on to the trustees to make a decision.
4. Quarterly letter on giving: Tracy spoke to Maynard and brainstormed that possibly emailing the reports to members vs sending them in the mail might be an option. Tracy was going to gather emails from the church office.
5. New Sidewalk project is still on hold for now due to health concerns in the Qualley family.
6. Pastor Phil and Darcey loved the gift from Bergeson's. They may be able to plant their maple trees yet this fall.

### New Business:

1. The elevator is currently not working. Marlene spoke to Nick Aakhus, and he will stop by the church tomorrow to assess the situation.
2. An all-leader meeting (Councils, Sunday School, etc.) has been set for September 13 with the Acting Bishop to discuss & begin the call process for a new pastor.
3. The remainder of funds from the Gene Erlandson estate have been deposited into the savings account. Brenda recommended a CD vs adding to the Endowment Fund (CD is a guaranteed rate of return, the endowment has been losing money). She will call a few different banks to find the best rate. A motion was made by Mike Slevin to put \$20,000 from the Erlandson Estate into a short-term CD. Motion Seconded by Marlene Block. MC.
4. Marlene had asked Melby's tree service for a quote to trim the Maple trees by the church. They came and completed the job at no cost. The council will send a thank you as we are very appreciative of a job well done.
5. September 17<sup>th</sup> there will be a pancake breakfast & silent auction at the fire hall in Fertile. Proceeds will be donated to Pastor Phil and Darcy. Members are asked to donate a "basket" to be used in the silent auction.
6. The calling tree needs to be updated before winter. Shelia Fontaine has the document and will be contacted with updates.
7. Our council meeting and Trinity's meet at the same time. Pastor Dan has asked us to consider moving our meeting date to a different day and/or time. He will discuss with the Trinity council. A decision has been tabled until the next meeting.
8. The microphone was having troubles on Sunday. Marlene asked Tommy to come and double check things.

**Adjourn:** MM/S to adjourn by Marlene Block/Brenda Langved. MC. Adjourned with the Lord's Prayer at 7:54 p.m.

**Next council meeting:** Wednesday, September 20th at 7:00 p.m.

### United in Christ Parish Council

August 17, 2023

President Kip Fontaine called the meeting to order at 9:00 am. Members present were Kip, Jeff Gullickson, Pr. Dan Morton, Verna Norland, Belinda Fjeld, John Gullickson and Kristy Langved. Pr. Phil Blom was present via phone and Mark Benson was a guest.

Kip led devotions, reading from Lamentations 3:21-27.

Kristy gave the secretary's report from July 13, 2023. Belinda made a motion to accept, seconded by John and carried. As an update, the parish was credited \$85.25 from the Fertile Journal as the correction was a news story, not an advertisement. Kristy then read the minutes from the July 23, 2023 meeting. There was a correction; the word *position* will be replaced by the word *positive*. Jeff made a motion to accept the minutes with that correction, seconded by Verna and carried.

The Treasurer's report was presented by Kip in the absence of the treasurer, Lyle Fuchs. Belinda made a motion to accept as presented, seconded by John and carried. The board will ask that the report be emailed out prior to each meeting to review, in the future.

Pr. Dan gave the pastor's report. Wedding season is upon us. He is working on scheduling confirmation classes and 1<sup>st</sup> communion instruction. Kelsey Braun will be assisting with confirmation classes again this year.

Old Business: The benefit breakfast/dinner for Phil and Darcey Larsen is scheduled for Sunday, September 17, 2023. Firemen will be helping to make pancakes and it will take place at the Fertile fire hall. Renee Rongen, Patti Mosher, & Kari Morvig are chairing the Silent Auction and donated items are welcome. People with items to donate are encouraged to call one of them. Kristy Langved will chair the food part and will welcome all volunteers. Belinda Fjeld will chair the advertising. Volunteers are needed for set-up on September 16.

Trinity worship will return to weekly worship and also will return to the full monthly contribution.

Pulpit supply: There was discussion about how to continue this into the future. Pr Blom will be here the 2<sup>nd</sup> and 3<sup>rd</sup> Sundays of each month. There was discussion about using lay ministers, having some Wednesday worship services. Prs. Phil and Dan and the office staff will address this.

Youth ministry: Kip and Dan have been approached by one person possibly interested in the position. There was much discussion about Luther Crest worship packages for Sunday School, youth groups and confirmation classes.

Water to Thrive. There is \$11,583.00 in this account at this time, not counting what has been donated online and what came in today.

New Business: Transition/Interim Ministry contract: Verna made a motion to enter into the agreement for interim ministry with Pr. Phil Blom according to the contract which we each have before us. Seconded by Jeff and carried.

Call process: There will be a meeting at Concordia on September 13, 2023, with a meal at 6:00 pm, and the meeting starting at 6:30 pm to kick off Phil Blom's interim ministry and the call process. Genelle Netland, from the synod office, will be there. All church leaders: parish council members, church council members, Sunday School superintendents and teachers, youth leaders, and any other leaders within the five churches are encouraged to be there.

Concordia's 100<sup>th</sup> anniversary celebration: Saturday, September 30, 2023. Everyone is invited to a dinner at the school and a program at Concordia. Genelle Netland will be there.

Hymn selection: Carol Petersen and Elaine Erdahl have been in charge of hymn selection for the past several months. Pr. Blom would like them to continue.

Pr. Dan suggested that we make name tags available during meetings and worship services, for Pr. Blom, in the following weeks ahead.

The next meeting is scheduled for August 27, 2023 at 12:00 noon at Concordia.

Belinda made a motion to adjourn, seconded by Jeff and carried.

We closed with the Lord's Prayer.

Respectfully submitted,

Kristy Langved, Secretary
