15-WORSHIP SCHEDULE

As I have mentioned before, I love fall. Notice how the Maple trees start to turn color at the very top and then follow down with the beautiful shades of red, orange and yellow. Drive along County Hwy 41 in the fall to just enjoy God's beauty.

In October, as we witness the changing colors of leaves and feel the crispness in the air, it serves as a reminder to cultivate a heart of gratitude. This month encourages us to give thanks for both the big and small blessings in our lives, giving an attitude of appreciation and contentment. By expressing gratitude to God and others, we can have greater joy and bring positivity into our communities.

October is the month most of our farmers bring in the balance of their crops. It is like a sigh of relief when the grain is in the bin. It is a time to give thanks to God on the blessings he has given us in this harvest season.

Halloween, I hate Halloween! It started when I was a young child, my dad took me trick or treating, and the neighbor threw firecrackers at me. Scared me half to death. I refused to go again, and I would hide when the doorbell rang. Later I went to a Halloween party in Jr. High. I went as a ghost with a white sheet over me; one of the girls would step on the sheet to make me trip and then laugh at me! Girls can be so mean! So again, I was reminded that I hate Halloween. Although Halloween has pagan roots and is associated with darkness and fear, it is crucial to remember that as followers of Christ, we have been called to be a light in the world (Matthew 5:14-16). Some Christians choose to avoid Halloween altogether, while others see it as an opportunity to engage with their communities and share the love of Christ.

Halloween itself may be tied to darkness, as Christians, we can use this holiday to share the hope and light of the gospel. By focusing on the themes of redemption, salvation, and victory over darkness, we can change the conversation surrounding Halloween and bring glory to God.

A beautiful prayer for the month of October:

*"The Lord will send a blessing on your barns and on everything you put your hand to. The Lord your God will bless you in the land he is giving you."* - **Deuteronomy 28:8**

Take a minute and just enjoy what God has blessed us with. Look to the beauty in the trees, he has blessed us with amazing joy.

### Just a note from the Pastor:

Hello all you UCLP newsletter getters! I just wanted to take a moment to let people know that on October 6th, the Gospel reading (and most likely the sermon) will be on Mark 10:2-16. For those of you who have not memorized your Bible, this is commonly known as the "Divorce text". The last thing I want to have happen is for someone to feel blindsided or singled out in a worship service, so I just thought that I would let you all know that this is coming round the bend.

May God's Peace be with you,  
Pastor Dan.

### NEW CONCORDIA CHURCH LOCKED DOOR POLICY

At the August Concordia council meeting it was decided, for security reasons, that the parking lot (west) door into the church would remain locked during office hours. If there is a function going on at the church, the door from the parking lot will be unlocked. This began on Monday, August 19. The glass doors (south) across from the school, will be open during office hours. The parking lot door will be locked with instructions to go to the glass doors.

### *GriefShare*

GriefShare will start Tuesday October 1st running from 10:00 am to Noon. We will continue weekly meetings each Tuesday.

What is GriefShare? It is a program where participants learn about grief-related issues. While it is ideal for participants to attend all 13 sessions, the weekly sessions are designed to be "open", meaning a person can begin attending at any time. Participants will find Comfort - Answers - Hope. There will be a 40-minute video and then discussion. Participants will receive their own workbooks for personal study and reflection.

The leaves are falling even though we have summer time temperatures! Still, with the trees turning colors it prepares us for the change in season. It is time to put the summer things away, clean the garage and prepare for the cold to come!

Maple Lake does not have a garage to clean, but some ladies did tackle the basement! And, it looks and feels better. It is ready for the elementary Sunday school kids who meet downstairs as the high school is upstairs in the classroom. It is good to have the whole church used again!

5 kids received their Bibles on Rally Sunday. They were: Millie Melby, Luke Swanson, Brynn Larson, Kalin Carlson and Cooper Carlson. May they cherish their new Bibles and the words that are written, just for them!

God's Blessings on Hudson Melby, son of Micah Melby & Karlie Norberg, as he became a child of God through Holy Baptism. Family, friends and the congregation all promised to support and pray for him in his new life in Christ. What a privilege!

Sarah Lunak, Max & Greg Ramberg will be confirmed in October! God's blessings on them as well.

The Maple Lake council meets again on Oct. 16th at 7:00. Everyone is welcome to attend!

Looking ahead for the ladies – WELCA will meet on Nov. 6th for supper and the cutting of fabric squares for quilt tops. These squares will be made available, with directions, for anyone who would like to sew a top. We are planning ahead for those cold winter months!

Greeters and custodians for October are Jamie & Tracy Johnson and family.

As always, thank you to the families that volunteer to greet parishioners on Sunday mornings, and to the monthly custodians for keeping the facility looking its best. It is not always easy to find the time to do this, but it is much appreciated.

As we welcome fall, we ask the Holy Spirit to change us too, to be the kind of servant God wants us to be – loving and caring to others.

### Maple Lake Church Council Minutes

**Date:** September 18<sup>th</sup>, 2024, at Maple Lake Church. Meeting called to order at 7:07 p.m.

**Attending:** Marlene Block, Sue Kronschnabel, Brenda Langved, Pastor Dan, Angie Petry, John Swanson, Kari Morvig, & MaryBeth Swanson.

**Devotions:** Council Members shared how we became members of Maple Lake and why we have stayed.

**Secretary's Report:** MM/S by John Swanson/Brenda Langved to accept minutes as submitted. MC.

**Treasurer's Report:** There was no electric bill this month due to capital credits. When Brenda went in to pay for summer fill, after reviewing what was purchased last year, \$1581.08 was spent on Summer Fill. The parish payment breaks have helped our budget. MM/S by Sue Kronschnabel/John Swanson to accept minutes as submitted. MC.

**Pastor's Report:** Confirmation has begun. Although on "Vacation", Pastor Dan still had five funerals and two weddings last month. He was very appreciative of the time off. At the next parish meeting they will discuss the possibility of another Parish Payment break. There have been no updates on the Call process.

**Parish Board Report:** Next meeting is October 8<sup>th</sup>.

**Deacon's Report:** Deacon Sign up sheet has been completed. Communion cups have been ordered and should be here next week.

**Trustees' Report:** No Report

#### Old Business:

1. Marlene spoke to Craig at Mid Valley Electric about the thermostats in the entryway. He will come and check the thermostats and check the bulb for the Steeple (highway side). We will also ask him to add the north heater (entry) to the switch as well.
2. It was felt a motion should be put in the minutes about last month's propane purchase. MM/S by John Swanson/Brenda Langved to purchase propane for summer fill in the amount of \$1581.08. MC.

#### New Business:

1. The new chairs & tables for the basement have arrived. Table covers have been placed on the tables to help protect them. The council would like to thank Sue Kronschnabel for all the time and effort she has put into this project.
2. This year's nominating committee members have been notified. It is the goal to have this task completed by the end of October. The Annual meeting has been set for January 12<sup>th</sup>, 2025.
3. There is an issue in the men's bathroom. There is a problem with the toilet seat. Marlene will contact a trustee to complete.
4. Marlene did some leg work in regards to the Organ. Our organ has the ability to record songs ahead of time, that could be played back at a later time (Sunday). In order to do this, it needs a Midi Box. At one time it was believed that there was one in our church. After a few different calls to different music retailers, a man was found who will meet with Marlene October 1<sup>st</sup> to discuss options.
5. Should our church have internet? While the council thought it could be beneficial for special music, etc. at this time it was not financially feasible. The council is open to more discussion in the future.
6. Confirmation is set for October 20<sup>th</sup> at 9AM. Our Confirmation students are Sarah Lunak, Max & Greg Ramberg.
7. Looking ahead: Our November meeting will be our budget planning meeting. It's worked well to have our giving statements distributed to members by November 24<sup>th</sup>.

**Adjourn:** MM/S to adjourn by Kari Morvig/Sue Kronschnabel. MC. Adjourned with the Lord's Prayer at 7:47 p.m.

**Next council meeting:** Wednesday October 16<sup>th</sup>, at 7 p.m. at Maple Lake Church
